

Toastmate

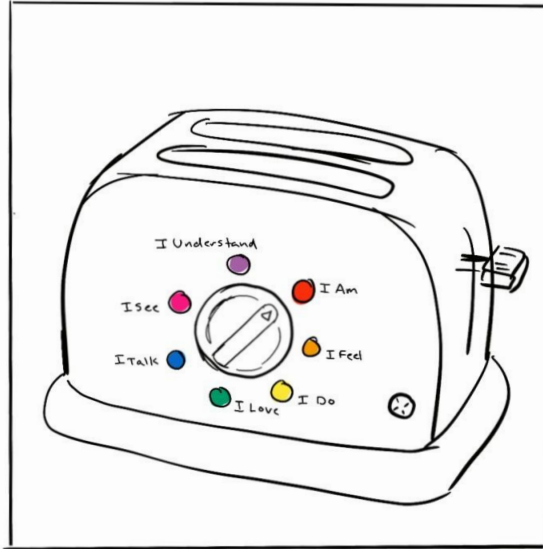

Energize Your Day

Features

Solar Powered

Chakra System of Knowledge

Toasted Message

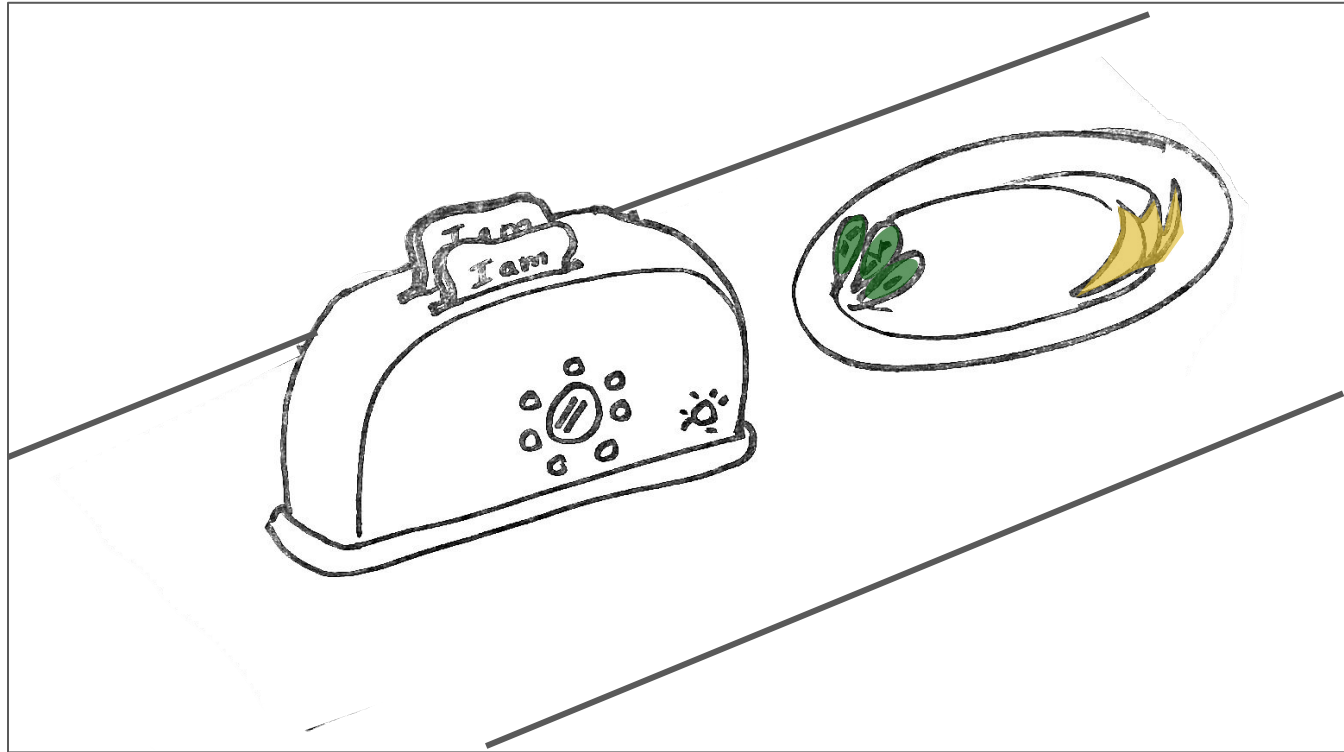

Rain wakes up to a a phone bursting with notifications

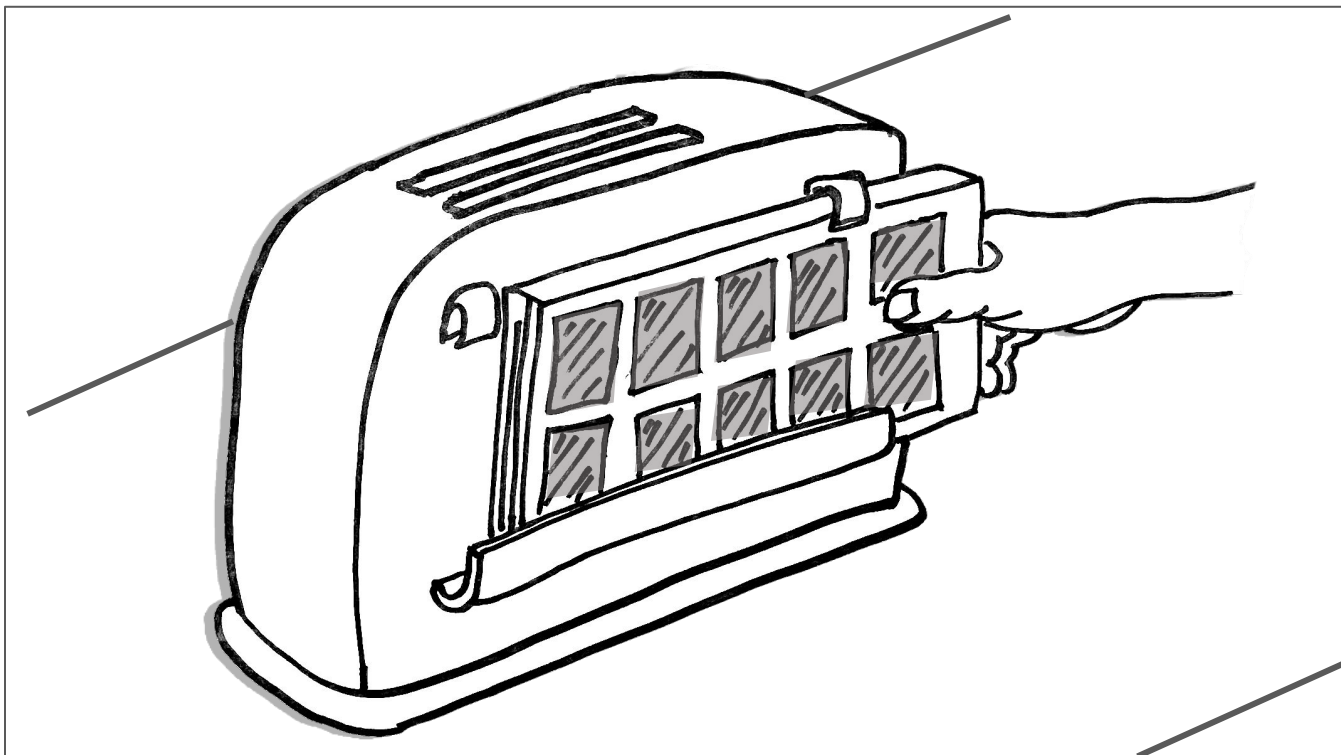

She ignores the phone and goes to start her meditation

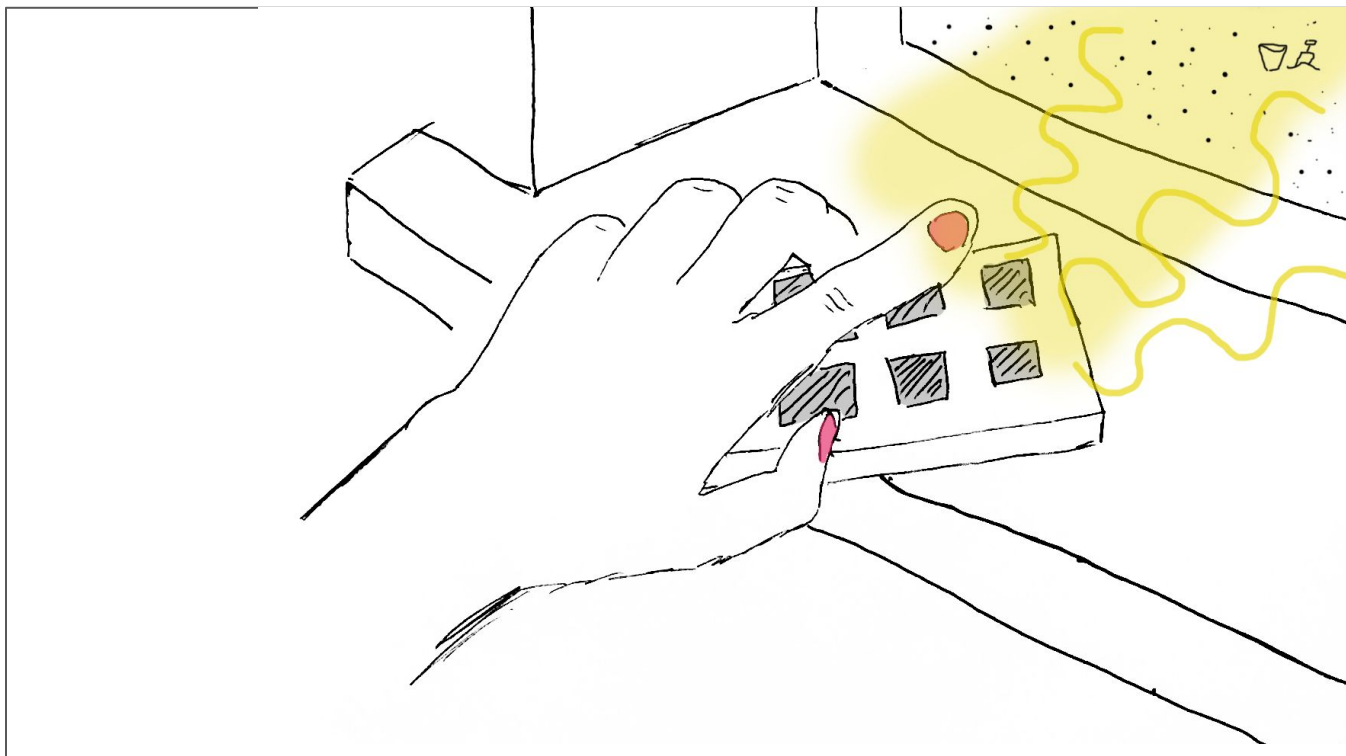

Feeling refreshed, she goes to the kitchen to fuel her body for the day

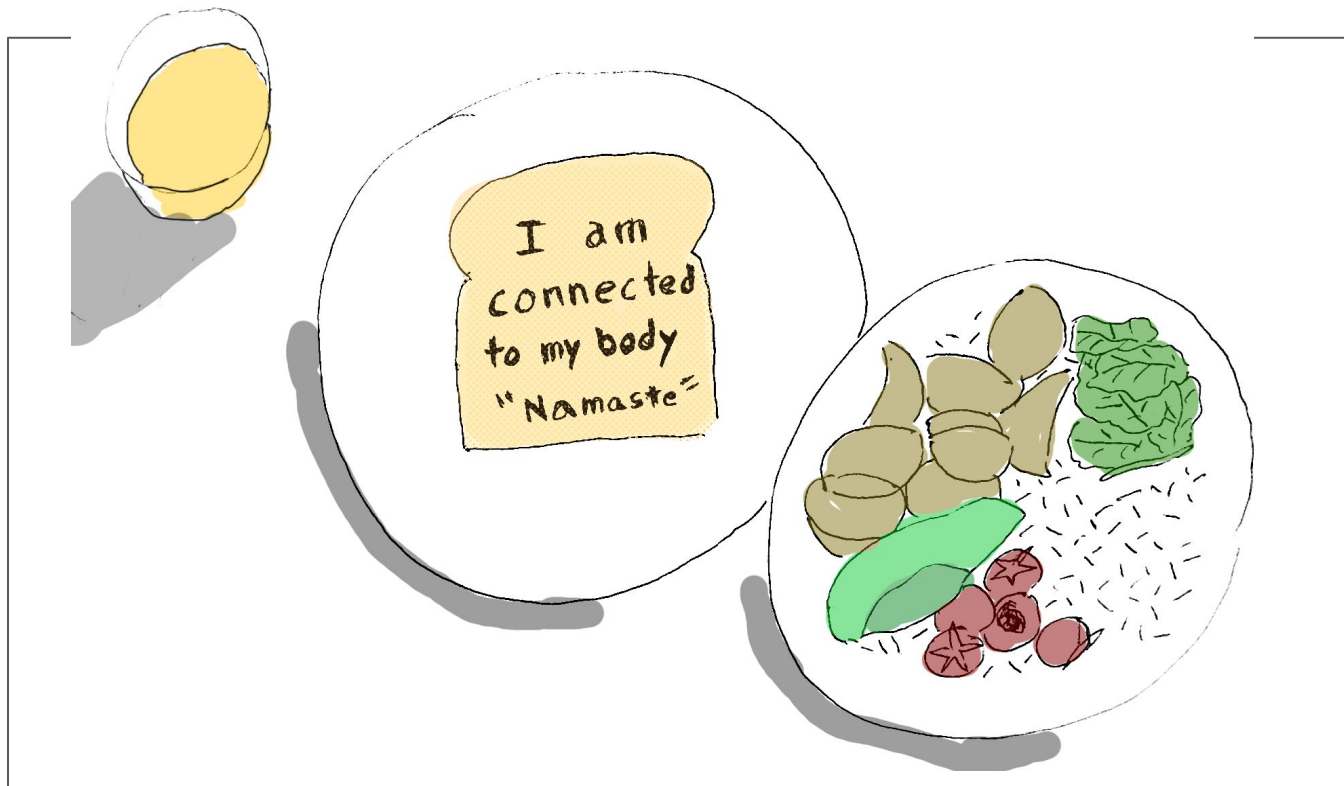

After setting her daily chakra her toasty inspiration pops out

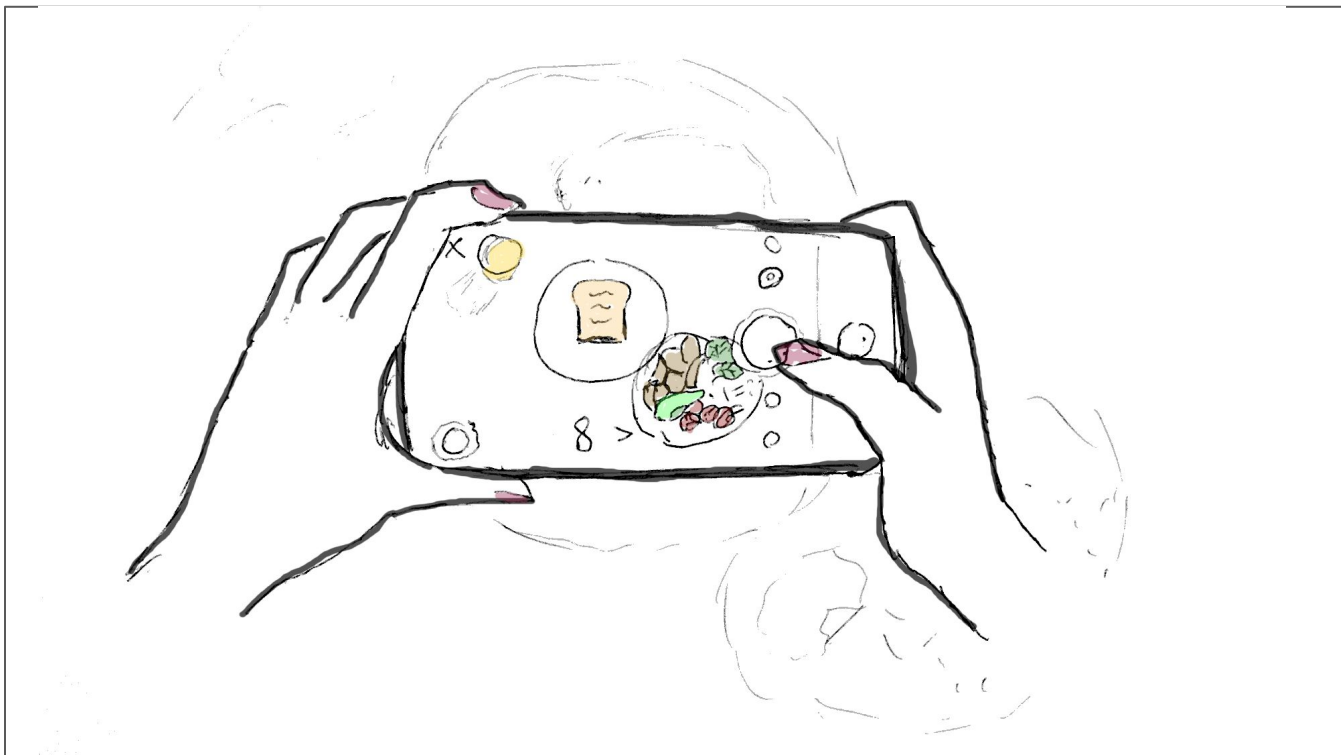

Rain removes the solar pack

She sets it in the window to charge for the next day

Rain pairs the toast with a healthy vegan breakfast

She shares her morning motivation with her followers on Instagram
